What Happens At Your Event?

On the day of your event, you will get to make your way to a private city centre venue where your event will be hosted just for you, meaning that you won't be sharing this activity with any other groups.

When you arrive, you will meet your tutor and the nude model who will be the subject of your drawings. With lots of awkward laughs and banter guaranteed, everyone will eventually get sat down before your model de-robes and bares all for you to draw!

During the class, everyone will get to unleash their artistic abilities as your tutor gives you lots of useful tips and tricks to help you get the most out of your sketches. So if you're looking for a light-hearted way to spend time with your colleagues outside the office, this is a great option to consider.

What's Included?

- ✔ Choose a male or female life model – or you can request one of each!
- ✔ A drawing tutor who will guide your event
- ✔ Your model will de-robe and get into various poses throughout the session
- ✔ Includes all drawing materials you need to complete the session
- ✔ Take home all your fine art work at the end of the session
- ✔ Full risk assessments & £5million public liability insurance
