What Happens At Your Event?

We'll organise a venue suitable for you to go to, usually an outdoor all-weather sports pitch. Once everyone arrives, they'll check in and be greeted by the event co-ordinator who will run the activities you've chosen back-to-back. They will outline the rules of the day before splitting participants into smaller teams and handing out colourful bibs so these teams can be differentiated. The co-ordinator will then dish out all the equipment you need to get stuck in (e.g. skipping ropes, zorb suits, footballs, bows and arrows, depending on the activities you've picked).

They will act as referee for the games and call those out who break the rules! You'll be busy battling it out between 2-3 hours depending on how many activities you chose with scores being accumulated throughout the event. At the end, the co-ordinator will cease the games and bring everyone in to reveal which team has won. There'll be prizes for the victors, so it's time to get in the zone and get competitive, it's all to play for!
