## What Happens At Your Event?

To start the day off, everyone who will be taking part will have the chance to download and install the bespoke game app on their phones. If you've opted for a remote facilitator, they will join you for a brief rundown on how the day will go before splitting you up into smaller teams of 4-6 people. They will also explain the theme of your outdoor escape room and the backstory behind it.

Then, you'll get to make your way to GPS hotspots around the area where teams will be faced with interactive photo and video challenges, trivia questions and more in a bid to solve the mystery, escape and win as many points as you can.

When your 90 minutes is up, each team will come back together for a 15-minute wrap-up session, detailing who managed to escape, who scored the highest and which team are the overall winners of the day!

## What's Included?

- ✓ Remote event facilitator to give a briefing, wrap-up and to be available for support throughout
- ✓ Uncover your cities secrets with this themed mystical scavenger hunt – The Dark Curse
- ✓ Work through 3 levels, with each being more challenging than the last
- ✓ Full risk assessments & £5million public liability insurance
- ✓ Learn spells, potion-making and gather essential items to be the team with the highest score and to escape in time!
