Event Overview

Our Stop the Clocks team building experience is a fun and fast-paced experience that will give participants the chance to bring out their problem-solving and collaboration skills across a host of eclectic and wacky challenges! With a particular focus on improving teamwork and attention to detail, as well as encouraging plenty of friendly competition, the aim of the game is for each team to complete a series of pre-selected tasks whilst racing against the clock. By the end of the session, the team with the lowest accumulated time will be crowned the winners of the day, with medals awarded for both first and second place.

Free Venue Finding Service

Let us find the ideal venue to perfectly suit your activities & needs.

Benefits Include...

- ✔ Encouraging Competitiveness
- ✔ Enhancing Time Management
- ✔ Sense of Achievement
- ✔ Problem-solving
- ✔ Working towards a common goal
- ✔ Encouraging Critical Thinking

STOP THE CLOCKS

What Happens At Your Event?

On the day, the event will begin with a short briefing on how the day will run from your activity co-ordinator. They will then split the room up into smaller teams before assigning each team a colour-coded clock. This will be used to measure how much time each team takes to complete the tasks and challenges given to them. A member of the team will hit the clock when you start a task or challenge and will do the same again once you've completed it. After the facilitator has checked that you've completed the activity correctly, they will award you points based on how much time it took you to complete it.

At the end of the day, your facilitator will total up the amount of time each team has accumulated through completing each challenge, awarding first and second place medals to the two quickest teams, crowning them the winners of the day.

What's Included?

- ✔ Experienced event manager to host your event
- ✔ A variety of mental, skill & physical activities to challenge your team
- ✔ Complete the tasks and stop the clock to keep your overall time low
- ✔ Medals given to 1st and 2nd place
- ✔ Full risk assessments & £5million public liability insurance
- ✔ Well-kept and maintained equipment
