What Happens At Your Event?

On the day of your event, you will make your way down to the venue before meeting an activity coordinator on-site. They will briefly explain how the event is played before introducing you to the theme of the room. Then, once you're all in the room, the countdown clock will begin, giving you all just 60 minutes to figure out how to escape!

During the event, you will need to keep your eyes peeled and engage in lots of critical thinking and problem-solving in order to find clues, complete puzzles and eventually figure out a way to break free before the clock runs down to zero. So if you're looking for an activity that encourages lots of active communication and collaboration, an escape room experience would be perfect for you and your team.
