Event Overview

Our Battle Archery Tag experience is a fun and energetic activity that sees participants bring out lots of competitive spirit and physical ability as they battle it out for glory. The activity usually takes place at an outdoor venue (or a local indoor sports centre if preferred) and is a great way to get your adrenaline pumping and encourage participants to make quick decisions whilst working effectively in a team.

Similar to dodgeball, this game replaces the balls with bows and foam arrows, with the aim of the game being to wipe out as many members of the opposing team as you can. So if you're looking for a way to treat your team with something unique and fast-paced, this is a great activity to consider.

What Happens At Your Event?

On the day, your activity will start off with a short briefing from your activity co-ordinator, who will explain how the day will run before splitting you up into two teams.

From here, you'll get to put on your protective masks and bibs and pick up your bows and arrows before taking to the court to do battle! During the game, each team will have five bunkers each with five cones in front of them holding a ball on-top; hitting these will bag extra points for your team. If you get hit by an opposing player's arrow, you're out! However, if one of your teammates grabs an opposing arrow, they can bring back one of their eliminated teammates.

At the end of the activity, the team with the highest amount of points scored will be crowned the winners of the day.
