## What happens at your event?

The activity will begin with a short briefing from your co-ordinator. They will explain how the day will run and go over what each of the games are before splitting you up into smaller teams of 4-6 people.

During the activity, teams will get to rotate around a series of games going head-to-head against different teams each time. With games like Tug of War, Hula Hooping and an Egg N' Spoon race to take part in, teams will need to work effectively in order to score the maximum points on offer.

The day will round off with a short de-briefing with the co-ordinator announcing who the highest scoring team is.
