What Happens At Your Event?

At the start of your event, your activity co-ordinator will give you a short briefing to explain how the day will run and the basic rules of the game. Then, it will be time to split up into your teams of 5 before heading to the pitch to battle it out!

During the event, teams will get to play a total of 4-5 ten-minute games, with each game being split into two 5-minute halves. Participants will get to put on their bibs and jump into their gigantic inflatable bubble suits so they can run, jump and bounce around the pitch whilst scoring tonnes of goals. By the end of the activity, everyone taking part will have had a chance to play and will go away with a sense of achievement, especially if they've managed to bag a goal or two!
