What happens at your event?

Guests will turn up to the venue of your choice with everything set up ready! Everyone will receive the same amount of chips and fun money each, which can be used to play classic casino games such as Roulette, Blackjack or Poker at each of the different tables.

Fully trained croupiers will ensure games are played correctly and explain the rules to everyone, and enforce them. A maximum of 7-10 guests can use a table at any given time. The person with the highest amount of fun money at the end of the evening wins a prize!

You can even add extra props around your venue to really make things feel special which can include a red carpet entrance, Hollywood silhouette panels, silk flames and Up-Lighting Packages, to name a few.
