What happens at your event?

Your activity will start off with a short briefing from your activity co-ordinator, who will explain how the day will run before splitting you up into two teams. From here, you'll get to put on your protective masks and bibs and pick up your bows and arrows before taking to the court to do battle!

During the game, each team will have five bunkers each with five cones in front of them holding a ball on-top; hitting these will bag extra points for your team. If you get hit by an opposing player's arrow, you're out! However, if one of your teammates grabs an opposing arrow, they can bring back one of their eliminated teammates.

The team with the highest amount of points scored will be crowned the winners of the day.
