## What happens at your event?

Arriving at the venue, you'll be greeted by the event co-ordinators who will help settle you in and explain how the day will work and welcome to the floor, the charity's co-founder. They will run through the cause, and how it helps those in need.

The group will separate into build stations and equipment and materials will be allocated to each, with the build stations focusing on a constructing stage for the pods.

Once you've built the sleep pods, they will be checked thoroughly and then distributed to the homeless through a trusted programme ensuring those most in need, receive them. You'll have made a huge difference to someone's life, especially in the colder months.
