What happens at your event?

Sit down and get comfortable. The host will kick off the activity with a warm introduction before handing out all the varied materials, ranging from fabrics, trims, cosy felt, fluffy fur, glittery ribbons, jingle bells, and more. The host will give guidance and support throughout, ready to assist with sewing or glueing.

You can choose from various patterns and templates or let your creativity run wild and design your own from scratch. Maybe you'll personalise your stockings with names, initials, or festive motifs to make them unique.

By the end of the workshop, you'll have a collection of beautifully handcrafted Christmas stockings, ready to be proudly displayed.
