What happens at your event?

Your activity instructor will arrive with everything you'll need during the workshop to customise your very own Christmas wreaths. Participants will then get sat down at their wreath-making stations before your instructor runs through some basic information about the activity and how to get the most out of your time.

You'll get to pick and choose your wreath decorations from a stunning selection of flowers, sprigs, foliage and plenty more to bring your wreath to life. Your instructor will also be there to offer tips, tricks and guidance throughout the class.

At the end of the class, everyone will be able to take their wreaths home and hang them up for years to come!
