What happens at your event?

Your event will begin with a short briefing from your lively activity hosts, who will explain everything as well as leading the clapping orchestra. Once they've explained how the event will run, they will assign coloured rubber gloves to different sections of the room.

With a different rhythm/beat for each section to learn, participants will have the chance to perfect their part of the routine with lots of practice before everyone comes together to perform the full routine.

Participants will leave with a sense of achievement and feeling refreshed, as your orchestral clapping routine will be accompanied by upbeat music to really bring about some high-energy fun.
