## What happens at your event?

On the day, you'll arrive at the pre-arranged venue and be seated. The event host will warmly greet everyone attending and begin to explain what you'll be painting and how. They'll show all the proper techniques, but it'll be down to you and your creative minds and crafty hands to create your very own mug, coaster and desk sign!

Over the two hour activity, you'll don your aprons and mix your paints to produce some fine work which you can revel in amongst your colleagues.

At the end of your session, you'll be given final instructions from the host in how to seal-in the paint at home with a quick 20-minute oven session to ensure they are dishwasher safe. Take your accessories back to the office (or home) and be proud of what you've created!

Just some of our happy clients...
