What Happens At Your Event?

On the day, your activity will begin with a short briefing from your activity host. They will be there to make sure the day runs smoothly but also to double-up as a referee for your dodgeball game. They will explain the rules of the game before splitting you up into your teams.

During the event, you'll get to put on your team bibs and head to the court to battle it out in a classic game of dodgeball, with the aim of the game being to hit as many opposing players as you can whilst ducking and diving out of the way of incoming shots! As previously mentioned, there will also be some short dodgeball-based minigames to play throughout the activity as well.
