## What happens at your event?

At the point of booking, you'll choose which town/city you want the event to run, and we'll select a centrally located venue that's suitable for your team.

On the day, you'll arrive at the venue along with the event host who will introduce themselves and explain the activity. At each table, each individual will have all the materials, paints, brushes and embellishments they need to create their perfect Christmas ornament.

Participants will have the option of different shapes for their ceramic ornaments including stars, baubles, reindeer and many more!

The host will provide helpful tips and design inspiration, as well as guiding the session so everyone, regardless of creative skill and ability, can have a fantastic experience.

Once you've created three ornaments, packaging will be provided so you can take your creations home safely and securely. Your unique creations can then find their place amongst our Christmas decorations, or be gifted to someone else as a gift.
