What Happens At Your Event?

On the day of your event, you will all make your way down to the venue where your event will be hosted before meeting your activity coordinator. They will split you all up into separate teams before issuing you with your team bibs and goggles. Then, it'll be time to take to the pitch for a regular game of footy... except for the fact that your vision will be less-than-perfect for the duration!

During the event, everyone will have the chance to get on the pitch and try to play with these mind-bending goggles over their faces, as well as the opportunity to take part in a host of footy-themed games, challenges and more.
