## What happens at your event?

On the day of your event, you'll arrive at a private city centre venue where your event will be hosted exclusively to your group.

When you arrive, you will meet your tutor and the nude model who will be the subject of your drawings. With lots of awkward laughs and banter guaranteed, everyone will eventually get sat down before your model de-robes and bares all for you to draw!

During the class, everyone will get to unleash their artistic abilities as your tutor gives you lots of useful tips and tricks to help you get the most out of your sketches. So if you're looking for a light-hearted way to spend time with your colleagues outside the office, this is a great option to consider.
