## What happens at your event?

To begin, colleagues will first split into small equal teams. This will be done by the facilitator, who will be there on the day to manage the event and make sure it runs smoothly. You'll be assigned your team bibs so you know who's in which team.

Battle it out in games including Egg N Spoon Races, Hula Hooping, Bean Bag Races and Tug of War to name a few. Participants will need to bring out their best collaboration skills in each game if they want to be in with a chance of scoring the most points.

At the end of the activity, everyone will have made their way around each game and had the chance to go head-to-head against each of the other teams. Your facilitator will start a ceremony, announcing the 1st, 2nd and 3rd place teams in true sports day fashion.
