Rookie Detective.

What happens at your event?

After a briefing from the event facilitators, participants are divided into teams and introduced to the crime they must solve. Using real forensic equipment, teams learn investigative techniques such as fingerprint analysis and FBI photofit creation while gathering vital evidence.

As the challenge progresses, teams work together to analyse clues, complete forensic tasks and piece together the facts of the case. The event concludes with teams presenting their findings and discovering whether they successfully solved the mystery.

Just some of our happy clients...

Customers love us!
We're rated 4.9 stars out of 5 based on 2,300+ Trustpilot reviews.
