Smartphone Pub Treasure Hunt.

What happens at your event?

Before the activity begins, everyone will have the chance to download the bespoke game app on their phones. Then, if you've opted for a remote facilitator, they will give a brief explanation on how the day will run before you split up into smaller teams of 4-6 people.

When the activity begins, each team can use the interactive map to find and head to each of the hotspots in the area where you'll be issued with a question or exciting photo/video challenge. You must work together to score the maximum points on offer at each. By the end of the experience, the team with the highest score on the leaderboard will be named the winners.

There will be around 3 locations that are pub destinations – once you've unlocked the challenges at that hotspot, you can head into whichever pub you'd prefer to complete!
