## What happens at your event?

We'll organise a venue suitable for you to go to, usually an outdoor all-weather sports pitch. Once everyone arrives, be greeted by the event co-ordinator who will run the activities you've chosen back-to-back. They will outline the rules of the day before splitting the group into small teams and handing out colourful bibs so these teams can be differentiated.

The co-ordinator will then dish out all the equipment (e.g. skipping ropes, footballs). They will act as referee for the games and call those out who break the rules! You'll be busy playing the games over 2-3 hours depending on how many activities you chose with scores being accumulated throughout the event. At the end, the co-ordinator will cease the games and bring everyone in to reveal which team has won.

### ZORB BUBBLE GAMES\*

(\*Also includes our Bubble Football activity)

### COMBAT ARCHERY

Dodgeball meets bows & arrows. Attack in teams across games in an inflatable battlefield.

### GOGGLE FOOTBALL

Play football games whilst hindered by special "beer" goggles that distort your vision & balance.

### DODGEBALL

The classic American sport where you must avoid the oncoming balls but must also hit the opposing side to score most points.
