THE BETRAYERS

What Happens At Your Event?

All equipment is included and there will be an event host (not Claudia Winkleman we're afraid!) to oversee the games.

You'll play 4 different rounds of games, each bringing a different challenge and at the end of each, you'll have a guess at who the traitor is.

These games are as follows:

Enigma

Split into groups, each will receive a cryptic riddle that they must solve by working together. Race against the clock to get the most correct answers and earn more coins than your competitors.

Quest For Riches

This challenge is both mental and physical, providing each group with a treasure map that they must use to on a scavenger hunt to find important items. The group with the most items will win the coins.

Cypher Challenge

This challenge mounts on the pressure, presenting each group with several puzzles that need to be completed in order to unlock the box and get the coins in time.

Melodic Mystery

For those with a keen ear, you'll be played a variety of different musical tunes using hand bells. Correctly guess what the songs are and earn your team coins.
