What happens at your event?

You'll be sent instructions to download the game on everyone's phones before the event starts.

On the day, you will be briefed by your activity host who'll give you the backstory of the game plus explain its rules and objectives.

Then you'll split into smaller groups of 4-6 people. You'll then embark on your adventure, using the latest smartphone technology to complete tasks & challenges as well as answering questions all in attempt to earn as many points as you can.

All whilst this is happening, the countdown clock will continue to tick... so make sure you check the live scoreboard to keep track of the other teams as you collect items and points!

Remember, the team with the most points at the end of the activity wins!

The event host will bring everyone back together via Teams/Zoom and announce the winners.
