## What happens at your event?

### BRIEFING

15 Minutes

The Virtual Spy School starts with everyone joining a Zoom/Teams video call and meeting the engaging online host who conducts a 15-minute briefing of the challenge. From there, each participant will be able to use a simple app on their smartphone device.

### MISSION

60 Minutes

Participants will break into small squads and get stuck into the codes, clues and puzzles to earn each of the training badges. Every group will need to earn all the relevant training badges in order to access the spy case. Use your newly acquired skills to solve the case before time runs out!
