What happens at your event?

Our online team quiz offers a chance for employees to socialise, let their hair down and most of all have a laugh. Participate from your home office, our online pub quiz ensures teams connect, laugh and don't feel isolated. Presented via video conferencing software (like Zoom or MS Teams) and by one of our event hosts, you'll play head to head against your work colleagues to battle for the highest score.

Choose from three different quiz themes...

General
Opting for this theme allows you to personalise your event by including your company branding throughout the quiz (ask your event manager for details). The questions will cover a variety of categories!

The Game Show
Drawing inspiration from fan favourite game shows, become a star of your own show with a virtual game show quiz! Test your trivia knowledge and collect points through interactive video challenges with your group.

Through the Decades
Starting in the '60s, this time-travelling challenge will see players completing three rounds of trivia questions and creative tasks on film, music, gadgets and general trivia from each decade.
